

Forevermore

[Ayreon](#)

In a dusty room on a stormy night
Away from all the crowds
I rise above the clouds Into a world once so bright
Where now the shadows fall
And a thousand voices call Dream on forevermore, our future's in your hands
Close your eyes, close your eyes and fantasize Only one boy whose heart is pure
Can save them from the curse
That's upon this universe He's on a quest for the secret cure
Across the burning sand
To the edge of the fairy land Dream on forevermore, our future's in your hands
Close your eyes, close your eyes and fantasize This world was built of human dreams
On hopes instead of fears
Now it slowly disappears Scream as loud as you can scream
For the empress needs a name
Or nothing will remain Dream on forevermore, our future's in your hands
Close your eyes, close your eyes and fantasize Dream on forevermore
Dream on forevermore
Dream on forever, forevermore Dream on forevermore
Dream on forevermore
Dream on forever, forevermore Dream on forevermore
Dream on forevermore
Dream on forever, forevermore Dream on forevermore
Dream on forevermore
Dream on forever, forevermore Dream on forevermore
Dream on forevermore
Dream on forever, forevermore Dream on
Dream on
Dream on
