Delicate

Kina Grannis

You said be careful it's delicate
Things can just crumble apart
But it's not the same for me
It's not the same for me
I came treading so carelessly
Thin lines have splintered my ground
But I close my eyes to laugh
I close my eyes to laugh
And how did you know,
That I couldn't be, what everyone wanted me to be?
And how did you know
That I wouldn't see, when everything falls away from me?
When everything falls away from me

One day I woke in the rubble
Knee deep in damage I'd done
I was ashamed of it
How did it come to this?
And how did you know,
That I couldn't be, what everyone wanted me to be?
And how did you know
That I wouldn't see, when eerything falls away from me?
When everything falls away from me
And how did you know,
That I couldn't be, what everyone wanted me to be?
And how did you know
That I wouldn't see, when everything falls away from me?
When everything falls away from .me
