

Almost Persuaded (Re-Recorded)

David Houston

 Last night all alone in a barroom
 Met a girl with a drink in her hand
 She had ruby red lips coal black hair and eyes
That would tempt any manThen she came and sat down at my table
 And as she placed her soft hands in mine
 I found myself wanting to kiss her
For temptation was flowing like wineAnd I was almost persuaded
 To strip myself of my pride
 Almost persuaded
To push my conscience asideThen we danced and she whispered I need you
 Take me away from here and be my man
 Then I've looked into her eyes
And I saw it, the reflection of my wedding band
