

# Yeah Boii

## Jibbs

In the Rich Corner  
Hailing from Southside, St. Louis  
The youngest phenomenal feat of all time  
Jibbs  
The cars is Plush  
(Yeah boii)  
Ain't chu that beatsta wit that big boii truck  
(Yeah boii)  
Ain't chu that one wit money stacked to that ceiling  
(Yeah boii)  
And it's a problem when I bring in Jibbs into the building  
The cars is Plush  
(Yeah boii)  
Ain't chu that beatsta wit that big boii truck  
(Yeah boii)  
Ain't chu that one wit money stacked to that ceiling  
(Yeah boii)  
And it's a problem when I bring in Jibbs into the building  
I stay fresh I stay flyer than the rest  
'Cause when a didn't have much the haters love to talk mess  
But Betta Yet, I stay flyer than a plane than a bird  
Put my truck on 32's and go it lookin' like it ain't a curb  
I mean my words go back on words to that limit  
Then I got gurls going crazy for the boii  
'Cause I have no flurs all the guys say I'm silly  
Because I cannot share I run my city like Diddy  
So you can call me murna if you didn't see me cumin'  
You can hear me for you see me 'cause my Lamborghini's humin'  
Got the Hummer behind me and the beats just bumpin'  
Bangin' the concrete and gotach A-Town Stompin'  
A yo I represent that south S T L O U I S , man  
Where the love to rock them fitted caps and them headbands  
My Loui Gurls dressed in all white like it's a wedding  
And Pookie man standing right by my side in black like he the Best Man  
The cars is Plush  
(Yeah boii)  
Ain't chu that beatsta wit that big boii truck  
(Yeah boii)  
Ain't chu that one wit money stacked to that ceiling

(Yeah boii)  
And it's a problem when I bring in Jibbs into the building  
The cars is Plush  
(Yeah boii)  
Ain't chu that beatsta wit that big boii truck  
(Yeah boii)  
Ain't chu that one wit money stacked to that ceiling  
(Yeah boii)  
And it's a problem when I bring in Jibbs into the building  
I got that S-550 wit that panoramic top  
And my different color rims keep spinning when I stop  
Yeah the Kid so Flashy just to be my age  
But gurl don't mind me 'cause thats just my wage, yeah  
What a wonderful they I'm so Icy  
And now all the other cats wanna be just like me  
And thats for a fact that all the gurls like me  
Lil' mama calm down 'cause ya getting a lil' feisty

I got different color cars wit my Big Big Bling  
Where reflections off the wall that make ya think ya seeing things  
And the trunk just thundering got everybody rumbling  
The truck sitting so high that chu could see up under it  
The cars is Plush  
(Yeah boii)  
Ain't chu that beatsta wit that big boii truck  
(Yeah boii)  
Ain't chu that one wit money stacked to that ceiling  
(Yeah boii)  
And it's a problem when I bring in Jibbs into the building  
The cars is Plush  
(Yeah boii)  
Ain't chu that beatsta wit that big boii truck
