Time to Move On

Paul Carrack

It's time to move on
Forget the past
You said our love will never die
Now it seems you've changed your mind
After the thrill is gone
I know it could never last
So darling just to let you know
I won't cry when I see you go
No it's not easy
To keep the vows you made
I'm not criticizing you
Only if you want me to stay
I'm not here to judge you
On what people say
I've seen and heard enough
To tell you I can't stay
It's time to move on
Forget the past
You said our love will never die
Now it seems you've changed your mind
I know you can't live a life
When the thrill is gone
Darling you will never know
How it feels to see you go
