

# Police Dog Blues

Jorma Kaukonen with Tom Hobson

All my life I've been a traveling man  
Said, all my life I've been a traveling man  
Staying alone and doing the best I can  
I hold my trunks down to Tennessee  
I hold my trunks down to Tennessee  
Hard to tell about a man like me  
I met a girl I couldn't get her off my mind  
Well, I met a girl I couldn't get her off my mind  
She passed me up said she didn't like my kind

I'm scared to bark around her house at night  
I'm scared to bark around her house at night  
She Got a police dog that's craving for a fight  
His name is Rambler and when he gets the chance  
His name is Rambler and when he gets the chance  
He leaves his mark on everybody's pants  
I think I'll travel, now I think I'll let her be  
I think I'll travel, now I think I'll let her be  
Before she sicks that police dog on me
