

# Don't Let The Sun Go Down On Me

**Elton John & George Michael**

I can't light no more of your darkness  
All my pictures seem to fade to black and white  
I'm growing tired and time stands still before me  
    Frozen here on the ladder of my life  
    Too late to save myself from falling  
    I took a chance and changed your way of life  
    But you misread my meaning when I met you  
    Closed the door and left me blinded by the light  
    Don't let the sun go down on me  
Although I search myself, it's always someone else I see  
    I'd just allow a fragment of your life to wander free  
    But losing everything is like the sun going down on me  
    I can't find the right romantic line  
    But see me once and see the way I feel  
Don't discard me just because you think I mean you harm  
    But these cuts I have they need love to help them heal
