

# The Apology

## The Heavy

Take it back like you know I want you to  
I'm hearing what I know you don't see that it's on you  
So I guess you think this means that I love you  
But some things that you say fuck with my day like bad news You made me sorry  
(But that don't make it alright)  
Admit you're wrong  
(But that don't make it alright)  
Oh, [?] down on your knees  
(But that don't make it alright)  
Beg and plead for forgiveness  
(But that don't make it alright) So I guess you think this means that I hate you  
I couldn't hate you but I'm waiting for some hurts upon you  
Like Fee-Fi-Fo-Fum  
All is said and done when there's nothing wrong, but I know your words, and you're cruel  
Always stick together when you're breaking fool Until you're sorry  
(But that don't make it alright)  
Admit you're wrong  
(But that don't make it alright)  
Oh, [?] down on your knees  
(But that don't make it alright)  
Beg and plead for forgiveness  
(But that don't make it alright) Just say sorry  
Then why don't you say it?  
When I said forever, I meant that  
[?]  
There's more to your story  
So why are you sad?  
When you're ever wrong, don't you walk with that  
Don't you fuck with that You made me sorry  
(But that don't make it alright)  
Admit you're wrong  
(But that don't make it alright)  
Oh, [?] down on your knees  
(But that don't make it alright)  
Beg and plead for forgiveness  
(But that don't make it alright) But that don't make it  
(But that don't make it)  
(But that don't make it)  
(But that don't make it)

(But that don't make it alright)
