

One Good Reason

Livingston

Take me out of here
Place is getting much too small
Make me disappear
Vanish through the nearest wall Give me one good reason why I should stay?
Give me one good reason to go on this way
Give me one good reason why I should stay with you
With you? Take me out of here
Place is closing in on me
Make it disappear
Somewhere else I wanna be Give me one good reason why I should stay?
Give me one good reason to go on this way
Give me one good reason why I should stay with you
With you? Give me one good reason why I should stay?
Give me one good reason to go on this way
Give me one good reason why I should stay with you
With you, with you? Take me out of here
