Paint It Black

Firewater

I see a red door and I want it painted black
No colors anymore I want them to turn black
I see the girls walk by, dressed in their summer clothes
I have to turn my head until my darkness goesI see a line of cars and theyre all painted black
With flowers and my love both never to come back
I see people turn their heads and quickly look away
Like a new born baby it just happens every dayI look inside myself and see my heart is black
I see my red door and it has been painted black
Maybe then Ill fade away and not have to face the facts
Its not easy facin up when your whole world is blackNo more will my green sea go turn a deeper blue
I could not foresee this thing happening to you
If I look hard enough into the settin sun
My love will laugh with me before the mornin comesI see a red door and I want it painted black
No colors anymore I want them to turn black
I see the girls walk by dressed in their summer clothes
I have to turn my head until my darkness goesI wanna see it painted, painted black
Black as night, black as coal
I wanna see the sun blotted out from the sky
I wanna see it painted, painted, painted, painted black, yeah
