Missing You

Frankie J

Oh, oh, oh, oh!
Since you ran away, we've been down and lonely,
Since we've been away, we've been thinking of you!
Trying to understand the reason you left us,
Now we are here this noon.
[Chorus:]Uhuuuuu
We're missing you!
Tell me where the ...
We're missing you!
Tell me where...
Uhuuuuu, ohhhhh, yea!
As we walk around, we see things that remind us

Just to see your smile, maid my heart fill with joy!
We still recall all those dreams we shared together,
When did you...now?
[Chorus:]Uhuuuuu
We're missing you!
Tell me where the ...
We're missing you!
Tell me where...
Uhuuuuu, ohhhhh, yea!
We're missing you forever and ever!
We're missing you forever and ever!
We're missing you, hey!
