

Nightmoves

[Phil Kinley](#)

The music begins and the titles fade in, starrin' you and me

The hero is struggling to say that his lady is far away

In her prison of wishes We love and we fight but it's all day for night just a masquerade

We'll read till the red light is off then we go take our faces off

Like two clowns in a side show Love is like two dreamers dreamin' the exact same dream

Just another Technicolor romance on the screen Love is like two dreamers dreamin' the exact same dream

Just another Technicolor romance on the screen I keep you in frame and I whisper your name till the picture
fades

The feeling is already gone, I don't know why I'm going on

Can't remember the ending
