Go Crazy

YFN Lucci

Too many fake niggas out here, what the world coming too
Too many fake boss lil niggas speak when spoken too
I been fighting demons lately so
y'all don't know what I've been going through
Yeah oh, oh, oh no, let a nigga say it though
Every dollar add up
I can't afford to let up
So I can't afford to fuck upI been hated, I been loved, I been lied to
I been holdin' in that pain so I been trying to
I done seen shit in the game that I was blind too
Yeah, know the reason why I'm here
but I was lied to
Two cups and a blunt
Ease off Saint. Leray
Second mixtape got me a number one
I already got another one, plus I'm working on another one
Had to get a new watch and got my brother one
Love my nigga like my mothers son
I know they love what I've become
See what's on like the Goodfellas
Reebok to the meat sweater
caught the dope in the tea colour
When we were down nigga he ain't help
Now I'm up and I can't help
Too many fake niggas out here, what the world coming too
Too many fake boss lil niggas speak when spoken too
I been fighting demons lately so
y'all don't know what I've been going through
Yeah oh, oh, oh no, let a nigga say it though
Every dollar add up
I can't afford to let up
So I can't afford to fuck up (yeah, yeah) Oh, oh
