

Step Out of the Car (Live In Tennessee)

The Boxer Rebellion

Step out of the car
Inner-city action
It's already won
It's already wonCharges bring a swarm
To rumors of corruption
It's already war
It's already warAnd I'm looking for you
So surrender to me
In this storm
It's hard to see
There's a thin
line between
Love and hate
Love and hateStep out of the car
Acts of desperation
Leave you in a mess
Leave you in a messAmericana's glow
Is gone without a place to go
It's already war
It's already warAnd I'm looking for you
So surrender to me
In this storm
It's hard to see
There's a thin
line between
Love and hate
Love and hateVoices winning me instead
Undercover in my head
Voices winning me instead
Triggers pointed at my headStep out of the car
Step out of the car
Step out of the car
Step out of the car
