Whass Up

Snow

What goes up must come down
(Who's that?)
But I don't wanna come back down
(Who's that?)
Look at me I'm on top of the world
What I feel girl is real
I'm the king from the deck dem deal
Doesn't anybody know?
Snow is back everybody body
Girls come wine up your body body
Fella's snatch up a honey honey
Tell her she's your one and only only
Now that I'm back you're gonna hear me and see me
When you turn on your radio and TV
Snow is back in the game
Things will never be the same, no no no
If your feelin' nice and [unverified] through your lighters up
Tell the DJ Lord God for him to jack it up
To all the people over there dem a [unverified] run jump up
Baby over there she a have hiccup
She has her eyes on me since a quarter to 9
Me never seen a girl wine the way that she whine
Oh no
Well she could never be me friend
Snow is back everybody body
Girls come wine up your body body
Fella's snatch up a honey honey
Tell her she's your one and only only
Now that I'm back you're gonna hear me and see me
When you turn on your radio and TV
Snow is back in the game
Things will never be the same, no no no
Me say me sorry that me kept the people waitin' so long
Now that me back you can dance to a brand new tune
Tell ya motha sista brothas and ya fatha too

Ever since from way back me have enough love for you
And when you did a hurt me take a hurt lot for you God
Well she could never be me friend

Snow is back everybody body
Girls come wine up your body body
Fella's snatch up a honey honey
Tell her she's your one and only only
Now that I'm back you're gonna hear me and see me
When you turn on your radio and TV
Snow is back in the game
Things will never be the same, no no no
What goes up must come down
(Who's that?)
But I don't wanna come back down
(Who's that?)
Chris Black, Chris Black catch the place on fire
After I snatch up a honey I just show her the keys
I ain't got to say much she respects the G's
Sprees to Tiffany's 'Trips to Belize'
My Latino chick said Aruba would do her
After that she want a check Snow perform in Cuba
Maybe meet him in person sing Informer to her
Next day I take her to the hotel and do her
Snow is back everybody body
Girls come wine up your body body
Fella's snatch up a honey honey
Tell her she's your one and only only
Now that I'm back you're gonna hear me and see me
When you turn on your radio and TV
Snow is back in the game
Things will never be the same, no no no
Snow is back everybody body
Girls come wine up your body body
Fella's snatch up a honey honey
Tell her she's your one and only only
Now that I'm back you're gonna hear me and see me
When you turn on your radio and TV
Snow is back in the game
Things will never be the same, no no no
