Devour The Day

Suffer, Overcome and Recover.
Suffer, Overcome and Recover.
SOAR over everything
I've been upset
Lost count of the knives in my back
And I've been forced out
Because I wouldn't follow the crowd
When I get up
I'm not coming down
Waited too long with my feet on the ground
I'll get so high
No one can take my wings
SOAR over everything
Suffer, Overcome, and Recover
SOAR over everything
I've been in love
But who I am wasn't enough
And I've been crazy
Lashed out to cover the grief
When I get up
I'm not coming down
Waited too long with my feet on the ground
I'll get so high
No one can take my wingsSoar over everything
Suffer Overcome And Recover
Soar over everything
Nobody here is gonna stop me
None of it has the weight to hold me
