Fred Hammond

Away with the dark clouds
For the sun is come out once again
Lift your voice celebrate
Let the dancing begin
So let the people who love the Lord rejoice and shout and triumph Make it l-o-u-d [Chorus]
Lift up your voices
Out to the heavens
Under the anointing
Don't be afraid to
Let everyone know
Over and over
You've got the victory
Don't you understand Both his goodness and mercy
Ave overtaken us and we are found
Let the joy of the lord
Gives us strength that abounds
Forhe has made me glad
And now my heart is all rejoicing Make it loud [Bridge]
Clap your hands everybody yeah
Stomp your feet everybody yeah
Celebrate everybody yea
Dance with me everybody yeah Clap your hands and stomp your feet
Do your dance and sing wit me
Give me praise for he is good
E's good to me Do you wanna dance
C'mon clap your hands
Can u make some noise
Do u wanna dance If it had not been for him
There's no way that I could live
Give him praise for he is good
He's good to me Do you wanna dance
C'mon clap your hands
Can you make some noise
Do you wanna dance
