Controlla

Upstates & Hobbie

Every stand you, i controlla
And i don't think i break the whole thing
Thinking back to when me meet
ThatÂ´s the thing i wont forget
Picture perfect, and a dress
Baby girl, i confess, i'm all yours and nothing much
Control me girl, ain't no stress.

Stop.

Right, my yiy just changed
You just buzzed the front gate
I thank God you came
How many more days could I wait?
I made plans with you
And I won't let em fall through
I, I, I, I, I

I think I'd lie for you
I think I'd die for you
Jodeci "Cry For You"
Do things when you want me to
Like controlla, controlla
like controlla, controlla

Yeah, okay, you like it
When I get, aggressive, tell you to
Go slower, go faster
Like controlla, controlla
controlla, like controlla, controlla

Oh And Iâ€™m never on a wasting shorty
I do it how you say you want it
Them girls, they just wanna take my money
They don't want me to give you nothing
They don't want you to have nothing
They don't wanna see me find your lovin'
They don't wanna see me
Smiling back when they pree

Knowing I'd lie for you
Thinking I'd die for you
Jodeci "Cry For You"
Do things when you want me too
Like controlla, controlla
Like controlla, controlla

Yeah, baby girl, been around the world
so many shorty but you put it works so
You should know, that im letting go
You take control baby, bring it slow now
Why you whining, girl, the view from it's so hipnotizing
While i move to the beat of your body
Dont you worry, you already got me

Got me singing like, oh-oh-whoa.
Girl it's your favorite song, woah.
And they gon' play it all night long.
Got me rolling to the beat, right now.
You go up, and then iÂ´ll go down.
Speed it up, and then i'll slow down
Catch my tempo and just turn out.

And that's why I need all the energy that you bring to me
My last girl would tear me apart, but she'd never wanna split a thing with me
But when it comes to you, you
I think I'd lie for you
I think I'd die for you
Do things when you want me too
Like controlla, controlla
Yeah, like controlla, controlla
