

Angel Angel Down We Go Together (2011 Remaster)

[Morrissey](#)

Angel, angel
Don't take your life tonight I know they take and that they take in turn
And they give you nothing real for yourself in return
But when they've used you and they've broken you
And wasted all your money
And cast your shell aside And when they've bought you and they've sold you
And they've billed you for the pleasure
And they've made your parents cry
I will be here, oh, believe me
I will be here, believe me Angel, don't take your life
Some people have got no pride
They do not understand the urgency of life
But I love you more than life
I love you more than life
I love you more than life
I love you more than life
