

Help! (Live in LA)

Oasis

Help, I need somebody
Help, not just anybody
Help, you know I need someone, help
When I was younger, so much younger than today
I never needed anybody's help in any way
But now these days are gone, I'm not so self assured
Now I find I've changed my mind and opened up the doors
Help me if you can, I'm feeling down
And I do appreciate you being round
Help me, get my feet back on the ground
Won't you please, please help me
And now my life has changed in oh so many ways
My independence seems to vanish in the haze
But every now and then I feel so insecure
I know that I just need you like I've never done before
Help me if you can, I'm feeling down
And I do appreciate you being round
Help me, get my feet back on the ground
Won't you please, please help me
When I was younger, so much younger than today
I never needed anybody's help in any way
But now these days are gone, I'm not so self assured
Now I find I've changed my mind and opened up the doors
Help me if you can, I'm feeling down
And I do appreciate you being round
Help me, get my feet back on the ground
Won't you please, please help me, help me, help me, oh
