

Girl Dreams

[Beck](#)

You're just the girl of my dreams
But it seems my dreams never come true
You're just the girl of my dreams
But it seems my dreams never come true I first met you down on lover's lane
The birds were insane, flapping all about
Softly you would sing, Swinging on your swing
It wasn't night it wasn't day. You're just the girl of my dreams
But it seems my dreams never come true
You're just the girl of my dreams
But it seems my dreams never come true You're just the girl of my dreams
But it seems my dreams never come true
