

# Play the Game

## Queen

Open up your mind and let me step inside  
Rest your weary head and let your heart decide  
It's so easy when you know the rules  
It's so easy  
All you have to do is fall in love Play the game, everybody play the game  
Of love When your feeling down and your resistance is low  
Light another cigarette and let yourself go  
This is your life, don't play hard to get  
It's a free world  
All you have to do is fall in love  
Play the game everybody play the game of love My game of love has just begun  
Love runs from my head down to my toes  
My love is pumping through my veins  
Driving me insane Play the game, play the game  
Play the game, play the game Play the game everybody play the game of love  
This is your life, don't play hard to get  
It's a free world  
All you have to do is fall in love  
Play the game everybody play the game of love Your life, don't play hard to get  
It's a free world  
All you have to do is fall in love  
Play the game, play the game of love
