

I'd Go Anywhere With Hugh

The Magnetic Fields

I'd go anywhere with Hugh
Hugh's the kind of boy I take to
Mother of God, if he only knew
I'd go anywhere with Hugh I'd do anything for him
Sacre-bleu when the lights are dim
I'd entertain each and every whim
I'd do anything for him I love Hugh and Hugh loves you
You love me and he does not
I don't love you, you don't love Hugh
What a sad gevalt Hugh'd go anywhere with you
Hugh would take you to Timbukto
You would do anything for me
Me, I'd go anywhere with Hugh
