

Hey Love

Inner Circle

Love hurts
Love's a cruel master
Love's a killer
Love's a rotten bastard
Hey love, I'm done with you
Love will break your heart
I hate loving hating love
Love's a douchebag
Love wears Ed Hardy
Love's a member of the Tea Party
Hey love, go fuck yourself
Love likes Nickelback

I hate loving hating love
Oooooohhhh, aaaahhhh
Love has Ann Coulter's face
Love's a fan of the Boston Red Sox
Love is a white guy with dreadlocks
Hey, love I can't believe
You like Nickelback
I hate loving hating love
I la la la la la la la
I la la la la la la la la la
Love's a cunt
