

# Words Of Wisdom (lauryn Hill)

**Teyana Taylor**

Who I am, you know has nothing to do with the hair and the shoes and stuff (even though I like shoes)  
but you know it has nothin' to do with that You Know in what I do, I find out there's a lot of Power in Prayer so

I pray for the people who don't understand me

And I tell you, be honest with you, I pray more now to be understood

no excuse me, to understand then to be understood

I pray now to learn how to love and to be loved

Because God has given me abundance so you know I don't need God , "these people don't understand me,  
they think I'm crazy every time I'm on the mic" it's not about that

I pray I understand them so I can talk to them, minister to them even more

you understand what I'm saying?

So I'm just not afraid of, it's no affect, it's immaterial to me because our enemies are not physical bodies they  
are actually our family. they don't know it and we don't always know it.

but our enemies are not flesh and blood and our problems are not flesh and blood.

even though we think they are

think they are

think they are.
