

I Need A Sweet

South Park Mexican

[Chorus: South Park Mexican] I need a sweet with sortened hair and when a sweet I need to be there I need a sweet hear what say a killa sweet to get me through the day - help me out I need a sweet I really do I need a sweet to get me right I need a sweet everyday and everynight I need a sweet can I smoke a few [Verse 1: South Park Mexican] a forty dolla sweet fill with endo I need a sweet so I can blow I got a buzz unnh hunnh that's why I does I put diamonds on my daughter's hairbrush in this times of hate and pain we need a remedy to get us out the rain I been thinkin' of what I need jealousy a little greed purple leaves with crystal flakes if that's not hydro lease get that out my face in the club with my homeboy joey t two-twenty five for a half of o-z my science project was in the school arena 'cause I made a bomb out this old steam cleana come on [Chorus: South Park Mexican] [Verse 2: Angela Perez] I need a sweet to calm my nerves a swisha sweet filled with killa herbs I wanna fill it, roll it, hit it, smoke it hydro ponics but wait when the things obscene no matter what time... I just wanna high always wanna smoke like a dimnag but I don't give a fuck 'cause I love my weed muthafuckes call me miss big cheat step up to the club to the vip yeah everybody know I make it h-o-t all the fucken baller like up your sweets me and mary jane that's all y need (come on Beesh!) [Verse 3: Baby Beesh] I need an s to the w-e-e-t don't tell the police smoke with Baby Beesh cal with a sweet and phat o-zone 'cause I'm off that paper mayn that's wrong my girl got more baby+momma+in a chokehold if you want that dope I got a bowl dough smoke 'till my eyes turn japaneese me and my nose split half-a-tree now I don't pimp but jigga though I blow big dough with my nigga bro' mari-juana mayn love her gotta mouth full of cotton 'cause I'm off that butta ain't it though I wanna thank my playas in the rad-io (this is some good ass weed beesh) I hope so I need to pay my rent split-n-split the mero mero- [Chorus: South Park Mexican] and when a sweet I need to be there I need a sweet with sortened hair I need a sweet hear what say a killa sweet to get me through the day - help me out I need a sweet I really do I need a sweet can I smoke a few I need a sweet to get me right I need a sweet everyday and everynight
