

Mizu

Pompi

Mafunso kupaka,
Does anybody have an answer?
So many views and opinions,
Nifuno nkhalako nayanga.
In the search for the truth,
I turn to the news,
But its now propaganda.
Elo mutola nkhani kwene atola nkhani,
Bana mushinkha butter.
So, I am a no kind of hunter,
My only weapon is the word,
And I am searching for my purpose,
Before I go under.
Due to lack of understanding,
Programmed and learned to thrive on hunger.
Using your brother as a ladder.
To climb, and it really don't matter.
Whatever gets him to the million's faster.
Right.
I wanna take, a drink of that water;
So I never thirst.
From a source, that's beyond measure;
Wanna have new ways.
Wanna tap, into that treasure;
Spread its wealth on earth.
Nifuno kula mizu, mizu (mizu);
I wanna be rooted.
I wanna take, a drink of that water;
So I never thirst.
From a source, that's beyond measure;
Wanna have new ways.
Wanna tap, into that treasure;
Spread its wealth on earth.
Nifuno kula mizu, mizu (mizu);
I wanna be rooted.
Wamene amayimba na passion.
Mwamene ilili no corruption.
Malonda wapa ziko, kamwa ndiye nkholi,
Pamwamba pa Yesu, no fly zone.

We are Christ-Nation, end story.
Whether you Tonga, Bemba, Lenje or Lozi.
Nimutima imo, tili pamodzi,
Monga pamene tinazimya ku Garbon.
Niphunziseni month OWNING'a.
Not kusebenzela bena, NO NO.
Ever wonder why we always seem enslaved to a foreigner,
Tili gone nama ntongo.
Innovation creation, that is the key.
Ah
Theory is a law to supply a need, ah.
Law and creativity high on decrease, ah.
Dambisa Moyo gave us a seed, ah.
I wanna take, a drink of that water;
So I never thirst.
From a source, that's beyond measure;
Wanna have new ways.
Wanna tap, into that treasure;
Spread its wealth on earth.
Nifuno kula mizu, mizu (mizu);
I wanna be rooted.
I wanna take, a drink of that water;
So I never thirst.
From a source, that's beyond measure;
Wanna have new ways.
Wanna tap, into that treasure;
Spread its wealth on earth.
Nifuno kula mizu, mizu (mizu);
I wanna be rooted You either follow or you lead,
I choose the latter cause I need.
Kuwasha manja, and take a seat.
If I would like to eat with kings.
Its not the tree, it is the roots.
That's why we burying all the wrong fruits.
With no apologies I want to reintroduce;
Pompi, now with a righteous pursuit.
Nathan Nyirenda, ladies and gentlemen.
I wanna take, a drink of that water;
So I never thirst.
From a source, that's beyond measure;
Wanna have new ways.
Wanna tap, into that treasure;
Spread its wealth on earth.
Nifuno kula mizu, mizu (mizu);
I wanna be rooted.

I wanna take, a drink of that water;
So I never thirst.
From a source, that's beyond measure;
Wanna have new ways.
Wanna tap, into that treasure;
Spread its wealth on earth.
Nifuno kula mizu, mizu (mizu);
I wanna be rooted
