

OK, It's Alright With Me

The Washington University Amateurs

Okay it's alright with me some things are just meant to be
It never comes easily and when it does I'm already gone
I'm practically never still more likely to move until I end up alone at will
My life continues inching along

[Chorus]

When Bernadette comes I get lost on her tide
She's much too sweet and she's always gonna be
When I return to her arms and her eyes
It might not be the same but it's alright with me

Okay it's alright with me some people are scared to see
What's happening frequently but I would never shy from a fight
Heartbeat with a high demand often will go hand in hand
But I'm sick of just starting plans I wanna spend the rest of my life.

[Chorus]

It's alright wish me
It's alright with me
It's alright with me
It's alright wish me
It's alright with me
It's alright with me

Okay its alright with me some things are just meant to be, it never comes easliy and when it does I'm already
gone.
