Last Night

The Marquees

I don't think y'all ready for this one
This is for the new millaxium baby
Sisqo for 200, yeah
Check this one out
Got a funny thing for the girl in my dream
Prayin' on me every night like a raven in flight
I'm wakin' up hot tryin' not to get caught
'Cause my girl's here with me
Light brown eyes with the perfect waist size
Got a body like pow make me want it now
Drivin' me crazy while I'm layin' with my lady
I hope she don't see
Started one night after we had a fight
No make up, had ne frustrated as a mug
Fresh so I took a shower, fell asleep in a hour
This hot hot pretty young thing thing
Picked me up with a bang bang
Got me stuck and I couldn't say a damn thing
Can't believe the scene I'm feelin' for the girl in my dream
Last night had a dream 'bout a freak
Got me wakin' up in heat from my sleep
The girl made me sweat got my sheets all wet
And I don't even know who she be
She fine as hell I can barely handle it
Yo them breasts got me all outta breath
So fine on my mind every night
Trippin' off a dream but damn she was tight
Oh I'm startin' to feel like I'm creepin' on my honey
It's a dream but it feels so real feel her body cover me
Waitin' for the freak when I'm with my lady
It's a shame I don't even know her name
But I know her measurements 36-24-36
Why am I seein' her eyes them thighs?
Could it be that love just hit me in the form of a hot girl fantasy
Hate to say it but the lady drive me crazy
That girl got me actin' shady to my baby
I can't shake the spell can't break it
Going crazy thinkin' of her butt naked

What to do everynight I crave girl I can't behave

Last night had a dream 'bout a freak
Got me waking up in heat from my sleep
The girl made me sweat got my sheets all wet
And I don't even know who she be
She fine as hell I can barely handle it
Yo them breasts got me all outta breath
So fine on my mind every night
Trippin' off a dream but damn she was tight
Last night had a dream 'bout a freak
Got me wakin' up in heat from my sleep
The girl made me sweat got my sheets all wet
And I don't even know who she be
She fine as hell I can barely handle it
Yo them breasts got me all outta breath
So fine on my mind every night
Trippin' off a dream but damn she was tight
Got me goin' crazy, could it be the next best thing baby?
I don't even know ooh, ohh
Vision of my lust, the vision of my lust
Hunger for her touch, I can't understand why I want her so much
So at night I lay with nothing to say
As she got me slowly driftin' away
Baby I'm so confused what am I gonna do
But until' then I'm dreamin',uh
Last night had a dream 'bout a freak
Got me wakin' up in heat from my sleep
The girl made me sweat got my sheets all wet
And I don't even know who she be
She fine as hell I can barely handle it
Yo them breats got me all outta breath
So fine on my mind every night
Trippin' off a dream but damn she was tight
Last night had a dream 'bout a freak
Got me wakin' up in heat from my sleep
The girl made me sweat got my sheets all wet
And I don't even know who she be
She fine as hell I can barely handle it
Yo them breats got me all outta breath
So fine on my mind every night
Trippin' off a dream but damn she was tight
