Don't Talk About Love

G.R.L.

I wanna go somewhere where we can dirty up and be alone
Get in the back set of your caddy, fuck it up and let it go
Carve my initials in the dash with my stilleto so you'll know
(Carve my initials in the dash with my stilleto so you'll know)
That we were here, now turn me up so that we gotta crank the radio (Radio)Just, don't talk about love
Don't talk about love
Don't mess it up
Don't mess it up
Don't talk about love
Don't talk about love
Don't mess it up
Don't mess it upDon't mess it upJust wanna uh-oh by the starlight please don't jinx it all with words
(Just wanna uh-oh by the starlight please don't jinx it all with words)
'Cause we don't know what this could be
Don't say it please yeah amongst the word (Uh huh)
Let's stir it up and mix it up get buzzed on us 'till it's a blur
(Let's stir it up and mix it up get buzzed on us 'till it's a blur)
'Till we wake up and see the sun
Let's hit up and we can watch it burnJust, don't talk about love
Don't talk about love
Don't mess it up
Don't mess it up
Don't talk about love
Don't talk about love
Don't mess it up
Don't mess it upDon't mess it upJust, don't talk about love
Don't talk about love
Don't mess it up
Don't mess it up
Don't talk about love
Don't talk about love
Don't mess it up
Don't mess it upDon't talk about love
Don't talk about love
Don't mess it up
Don't mess it up
Don't talk about love
Don't talk about love
Don't mess it up

Don't mess it up
Don't mess it upDon't mess it upDon't mess it upDon't mess it up
