

# Unison

## Murcof

Some where tonight  
We come alive  
Two hearts ignite  
We're one of a kind  
Here we are undivided by  
Anything just you and I  
We've come so far no one else could ever  
Steal away what we confide  
Who wants to know?  
We stick together we're never apart  
Everybody knows who we are  
Because we are one  
We do it in unison  
The look in your eye  
The flash of your smile  
Never too shy  
Playin' ever so wild  
Baby, here we are, I'm relying on  
No one else but you and I  
We've come so far, no one else could ever  
Steal away what we confide  
Who wants to know?  
We stick together, we're never apart  
Everybody knows who we are  
Because we are one  
We do it in unison, in unison  
We come together and stronger we are  
Just when the world can tear us apart  
We go on as one  
We do it in unison, unison  
You and me as one  
Stay together, unison  
Stay together  
Unison  
Baby, here we are undivided by  
Anything just you and I  
We've come so far, no one else could ever  
Steal away what we confide  
Who wants to know?

We stick together, we stick together  
We stick together, we're never apart  
We stick together because we are one  
We do it in unison  
We stick together we're never apart  
Everybody knows who we are  
Because we are one  
We do it in unison, in unison  
We come together and stronger we are  
Just when the world can tear us apart  
We go on as one  
We do it in unison, unison  
We stick together we're never apart  
Everybody knows who we are  
Because we are one  
We do it in unison, in unison
