

The Way You Do Me

2gether

Girl, the way you do me, yeah
Girl, the way you do me, yeah
Girl, my head's on fire since our very first kiss
Dreamed of us together, never dreamed this
Took me up to your room to show me who you are
My cup is running over maybe it's your bra
Girl, the way you do me makes me say, "Waz up?"
When you're finished, I'm on the floor
Feelin' down, feelin' up girl, the way you do me
Drivin' me insane, I've never felt this way before
I'll tell you how I'm feelin' there's no way to begin
Like winnin' half a million and then kissing through, through
Girl, I know you're moody, you blow hot, blow cold
That's the way I like it, you're what I want to
Girl, the way you do me makes me say, "Waz up?"
When you're finished, I'm on the floor
Feelin' down, feelin' up girl, the way you do me
Drivin' me insane I've never felt this way before
Girl, the way you do me makes me say, "Waz up?"
When you're finished, I'm on the floor
Feelin' down, feelin' up girl, the way you do me
Drivin' me insane, I've never felt this way before
I'll Paris blues and gap you
Can't wait to unwrap you
You know I am feeling you
Are you feelin' me?
If you didn't phone me, see my sky turnin' black
I wish my mom would loan me a couple of Prozac
But I won't let it get to me, I know you just forgot
'Cause, girl, you're always with me
Even, even, when, when you're not
Girl, the way you do me makes me say, "Waz up?"
When you're finished, I'm on the floor
Feelin' down, feelin' up girl, the way you do me
Drivin' me insane I've never felt this way before
Girl, the way you do me makes me say, "Waz up?"
When you're finished, I'm on the floor
Feelin' down, feelin' up girl, the way you do me
Drivin' me insane I've never felt this way before

Girl, the way you do me
Girl, the way you do me
