

Chasing Ghosts

Against The Current

We used to have a light,
Now it's too dark to shine, (Oh...)
Now we're just passing by,
Two shipwrecks in the night (Oh...)Remember when we met yeah I know I was mean,
Stones shirt, black boots, and ripped jeans,
And you were such a mess and I thought it was sweet,
That night still haunts my dreams,I won't keep chasing ghosts,
I need somebody I can hold,
Gave you my heart and soul,
Thought I was chasing love, I was only chasing ghosts
Thought I was chasing love, I was only chasing ghostsBlue from the TV light,
Two bodies intertwined (Oh...)
I guess we tempted fate,
Always so far away, (Oh...)Remember when we met yeah I know I was mean,
Stones shirt, black boots, and ripped jeans,
And you were such a mess and I thought it was sweet,
That night still haunts my dreams,I won't keep chasing ghosts,
I need somebody I can hold,
Gave you my heart and soul,
Thought I was chasing love, I was only chasing ghosts
Thought I was chasing love, I was only chasing ghostsRemember when you left yeah I thought I was mean,
Stones shirt, black boots, and everything,
Let you fool me twice, shame on me,
That night still haunts my dreams,I won't keep chasing ghosts,
I need somebody I can hold,
Gave you my heart and soul,
Thought I was chasing love, I was only chasing ghostsThought I was chasing love, I was only chasing ghosts
Thought I was chasing love, I was only chasing ghosts
