

Streets Of Philadelphia (Soundtrack Version)

Bruce Springsteen

I was bruised and battered, I couldn't tell what I felt
I was unrecognizable to myself
Saw my reflection in a window and didn't know my own face
Oh brother are you gonna leave me wastin' away
On the streets of Philadelphia I walked the avenue, 'til my legs felt like stone,
I heard the voices of friends, vanished and gone,
At night I could hear the blood in my veins,
It was just as black and whispering as the rain,
On the streets of Philadelphia Ain't no angel gonna greet me
It's just you and I my friend
And my clothes don't fit me no more,
A thousand miles
Just to slip this skin Night has fallen, I'm lyin' awake,
I can feel myself fading away,
So receive me brother with your faithless kiss,
Or will we leave each other alone like this
On the streets of Philadelphia
