Lady Dujour

Johnny Gill

Lady Dujour
I called you up to find out what you'd like
For a special evening planned tonight
Anything you want I will provide
I'm all yours the moment you arrive
You're such a special lady
Girl you drive me crazy
You're my lady dujour
Oh, oh, oh
For you I don't mind waiting
I'm anticipating
My lady dujour
Oh, oh, oh
Soon we will be standing face to face
W'ell fill each other with a warm embrace
Your touch will set my body aflame
I'm dreaming of the feeling that you-ou-ou-ou-ou bring
Ooh, my lady
Cause girl you drive me crazy
You're my lady dujour
Oh, oh, oh
For you I don't mind waiting
I'm anticipating
My la-a-a-day-ay dujour
You're such a special lady
Girl you drive me crazy
My lady, my la-a-day, my lady
For you I don't mind waiting
I'm anticipating
My la-a-day, my lady dujour
(skatting)
Such a special, such a special lady, ummmMy laday, my laday, my la-a-day, yeah
Ye-e-e-eh, you-ooh-ooh-oooh, baby
My lady dujour
Eh, eh, eh
Want to say it again
For you I don't mind waiting
(skatting)
You, you're everything I ever need

Everything I ever want
You're my lady dujour
My lady, my lady
My lady
You're all I need tonight
Yeah, girl
But not just for one night
You're mine for all my life
For ever and ever and ever and ever
My ever
Not just for one night
My l-l-l-l-l-l-lady
You're such a special lady
Girl you drive me-e crazy
My lady
Wo, oh, oh
My lady
Tonight
All mine
For you I don't mind waiting
Just you and me
Anticipating
My lady dujour
Wo, oh, oh
My lady, we're two of a kind
My, my, my, my, my, my
My la-a-a-day
All mine, mine, you're mine
You're all mine
All mine, mine, min
