

I Was Made for Lovin You

Scooter

Tonight I wanna give it all to you

In the darkness, there's so much I wanna do, yeah

Tonight I wanna lay it at your feet

'Cause girl, I was made for you and girl, you were made for me, yeahI was made for lovin' you baby, you were made for lovin' me

And I can't get enough of you baby, can you get enough of me?

I was made for lovin' you baby, you were made for lovin' me

And I can't get enough of you baby, can you get enough of me? YeahTonight I wanna see it in your eyes
Feel the magic, there's something that drives me wild

And tonight we're gonna make it all come true

'Cause girl, you were made for me and girl I was made for youI was made for lovin' you baby, you were made for lovin' me

And I can't get enough of you baby, can you get enough of me?

I was made for lovin' you baby, you were made for lovin' me

And I can't get enough of you baby, can you get enough of me? YeahHey, hey, hey, hey

Go, go, go, go

Go, go, go, go, hey, hey

Go, go, go, go

Go, go, go, goI was made for lovin' you baby, you were made for lovin' me

And I can't get enough of you baby, can you get enough of me?

I was made for lovin' you baby, you were made for lovin' me

And I can't get enough of you baby, can you get enough of me? YeahGo, go, go, go

Go, go, go, go

Go, go, go, go

Go, go, go, go
