Unspoken

Crematory

Unspoken names never reach my heart
Again
Unspoken feelings no one miss your life- You see - you hear - you run -And you awaken and don't know if you'resleeping
Overrun and compromised by the dreams
Of the
Instant futureUnspoken names never reach my heart
Again
Unspoken feelings no one miss your life- You feel - you think - you cry -Disillusioned and deceived by the goals
Once
Pondered
Betrayed and banned by the ones once
TrustedUnspoken names never reach my heart
Again
Unspoken feelings no one miss your lifeUnspoken names never reach my heart
Again
Unspoken feelings no one miss your lifePursued and struck down by the lies that
Feast
Upon you
Lost your virginity at the hands of space
And timeUnspoken names never reach my heart
Again
Unspoken feelings no one miss your lifeUnspoken names never reach my heart
Again
Unspoken feelings no one miss your life
