

# Unspoken

## Crematory

Unspoken names never reach my heart

Again

Unspoken feelings no one miss your life- You see - you hear - you run -And you awaken and don't know if  
you're sleeping

Overrun and compromised by the dreams

Of the

Instant futureUnspoken names never reach my heart

Again

Unspoken feelings no one miss your life- You feel - you think - you cry -Disillusioned and deceived by the goals

Once

Pondered

Betrayed and banned by the ones once

TrustedUnspoken names never reach my heart

Again

Unspoken feelings no one miss your lifeUnspoken names never reach my heart

Again

Unspoken feelings no one miss your lifePursued and struck down by the lies that

Feast

Upon you

Lost your virginity at the hands of space

And timeUnspoken names never reach my heart

Again

Unspoken feelings no one miss your lifeUnspoken names never reach my heart

Again

Unspoken feelings no one miss your life
