

# Can't Help Falling In Love

## Baccara

Wise men say  
Only fools rush in  
But I can't help  
Falling in love with you

Shall I stay  
Would it be a sin  
If I can't help  
Falling in love with you

Like a river flows  
Surely to the sea  
Darling so it goes  
Some things are meant to be

Take my hand  
Take my whole life too  
For I can't help  
Falling in love with you

Like a river flows  
Surely to the sea  
Darling so it goes  
Some things are meant to be

Take my hand  
Take my whole life too  
For I can't help  
Falling in love with you

For I can't help  
Falling in love with you
