

Last Gasp

Harry Green

Whatever is going around ?
See the deal in your mind !
Sweat burning, sweat burning !
You pray ! We have forced the bravest kind !
Sleep well ! We'll all see the paradise !
Sleep well ! Sleep well !!!
Summerbirth ! Summerdeath !
Soare death ! Soare death !!!
Sweet dreams, sleep with me
No, No, No, !
Suffer inside, you can't heal.
Suffering right ?
This is the end !!!!!!!!!!!!!!!!!!!!!!!
This is the end !!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
This is.....the end.....the end!!
