

Good Things (featuring Polow Da Don & Keri)

Rich Boy

[Chorus:]

Good things don't last forever, baby
Something 'bout you, girl, that drives me crazy
Ain't no ifs and buts or maybes
You'll always be my friend
You will always be
You will always be
Say you'll always be

My friend She want to know what the reason I'm saying she can be my friend

But, baby, I'm a player, ain't no reason to pretend

By [Chorus] You're the only girl I wanna see daily

Not a lot save me but you could be my lady

Let's take it to another level you remember

The first day I got what you want and

It wasn't even your birthday, nah, now

We kick it too hard, you went too deep

Say you feel it in your heart, so

I'm a be real 'cause you give me what I want

And I ain't gonna tell you I love you if I don't

I understand you got a man

But he can't even understand how you feel

But if you stop coming around

And I don't see you again I guess we can

Just be, woo [Chorus] Now, ladies, you all know what I'm talking about

See, I don't want a man that will be dipping

In and out of my life, I want friend that be

There thick and thin, you know what I'm saying?

Someone to take it back to the eye's level

I want somebody to always run back to me

And trust I'll always be here with that cool thang If I couldn't walk again, would you

Still be there for me if I lost it all today?

Would ya care for me? Yeah, would you write me?

In the bed kinda of friend that will be there

Without the Benz

You never ask about the money that you

Lent me, nah, you look good with your

Body; you're the type of girl that money

Can't buy me [Chorus]
