Workin' On Me

Cole Swindell

And it just keeps workin' on me
Don't know if you know it
Everything you do just gets me going
Baby, you're driving me crazy
You got my head spinning like a vinyl record
Gets me every time you're doing whatever you're doing to me
Girl can't you see, it's workin' on me

All that it takes is a little touch
And there you go making my heart crush
It's gotta be more than a little crush
When I can barely breathe
You better believe

It's workin' on me
Don't know if you know it
Everything you do just gets me going
Baby, you're driving me crazy
You got my head spinning like a vinyl record
Gets me every time you're doing whatever you're doing to me
Girl can't you see, it's workin' on me

Look what you've done now
Can't go back
Too far gone now
Keep it coming
