Forever

Conkarah

(Hook)
Baby when I kiss your lips -
I feel like I could live forever.
And baby when I hold you tight -
I feel like I could live forever.
Forever, forever, forever, forever,
forever, forever, forever with you.(1st verse)
Girl you are my sunshine,
You brighten up my world.
You bring out the best in me,

Jah know yuh bless, you're my empress -

Part of my world my love my one and only.
Butterflies every time yuh hold mi,

I feel like I could live forever.
And baby when I hold you tight -

I feel like I could live forever.
Forever, forever, forever, forever,
forever, forever, forever with you.(Bridge)
Don't wake me if this is a dream,
Or say it's just a fantasy.
Since I've found what true love is
I live to love, I love to live.
Girl my perfect gift is you,
For you make my dreams come true.
Now I celebrate this love,
Been so long and growing stronger now.
Oh, oh, oh, oh...Baby when I kiss your lips - (your lips)
I feel like I could live forever.
And baby when I hold you tight - (all night)
I feel like I could live forever.
Forever, forever, forever, forever,
forever, forever, forever with you.Baby when I kiss your lips -
I feel like I could live forever.
And baby when I hold you tight -
I feel like I could live forever.
Forever, forever, forever, forever,

I feel like I could live forever.
And baby when I hold you tight -
I feel like I could live forever.
Forever, forever, forever, forever,
