Joy

The Volitains

I don't want you anymore 'cause you took my joy
I don't want you anymore, you took my joy
You took my joy, I want it back
You took my joy, I want it back
I'm gonna go to west Memphis and look for my joy
Go to west Memphis and look for my joy
Maybe in west Memphis I'll find my joy
Maybe in west Memphis I'll find my joy
I'm gonna go to Slidell and look for my joy
Go to Slidell and look for my joy
Maybe in Slidell I'll find my joy
Maybe in Slidell I'll find my joy
You got no right to take my joy, I want it back
You got no right to take my joy, I want it back
You took my joy, I want it back
You took my joy, I want it back

I'm gonna go to west Memphis and look for my joy
Go to west Memphis and look for my joy
Maybe in west Memphis I'll find my joy
Maybe in west Memphis I'll find my joy
I'm gonna go to Slidell and look for my joy
Go to Slidell and look for my joy
Maybe in Slidell I'll find my joy
Maybe in Slidell I'll find my joy
I don't want you anymore 'cause you took my joy
I don't want you anymore, you took my joy
You took my joy, I want it back
You took my joy, I want it back
You took my joy, I want it back
You took my, I want it back
I'm gonna go to west Memphis
I'm gonna go to Slidell
