

Dotted Line

[Liz Phair](#)

Na na na na...na na na na na na(2)I'm taking all my dreams with me
on a mattress for our memories...I'm taking all my dreams with mena na na na na naAnd if anyone asks you
where I've been..na na na na
I've been out having fun with my friends again
We're dancing real close but you can always cut in
We'd be dancing real close but you can always cut in
Cos I signed on the dotted line
and that mess on your plate is mine
and I aint asking you to trust me anymore
I am trusting you and i've seen enough
na na na na naWe never had a chance to watch out for
one another, we both need that
its hard when friend turns their back
but when you turned around
I knew I 'd finally found
Someone who's heart beats the same
I dont remember too much
but I remember the day
that I signed on the dotted line
and that name next to yours is mine
and I aint asking you to trust me this time
trusting you...and i say it enough
na na na na na na
