

# She's No Angel

## New Riders Of The Purple Sage

You see her there at the bar across the room  
She looks like an angel with her pain and perfume  
You'd like to meet her, your conscience says no  
Obey your conscience, turn around, boy, and go  
She's no angel, no angel, her wings are not real  
She'll ruin your life, if your heart she can steal  
She'll tell you tales to bring tears to your eyes  
But don't you believe them, for they're only lies  
You think if only she could be your own  
You'd be more content than a king on his throne  
You better not trust her, it's wrong if you do  
She's broken many hearts and she'll break yours too  
She's no angel, no angel, her wings are not real  
She'll ruin your life, if your heart she can steal  
She'll tell you tales to bring tears to your eyes  
But don't you believe them, for they're only lies
