

Spitting Fire (live in Tennessee)

The Boxer Rebellion

what the rest did i was average.
but i don't mind.
drawn on two sides without disguise.
but i don't mind.
but i, i spit fire.
on lovers and liars.
and you, you don't believe me.
and i, i find it easy. easy.
you're recruited head diluted.
through a glass eye
. dreams in fiction, lost religion.
but i don't mind.
cause i, i spit fire.
on lovers and liars.
and you, you don't believe me.
and i, i find it easy. easy.
what the rest did i was average.
but i don't mind.
runs on no sleep drawn to defeat.
but i don't mind.
and i, i spit fire.
on lovers and liars.
and you, you don't deceive me.
and i, i find it easy. easy.
