Chris Brown

Yea Yea

Young Chris

(Laugh)

Uh Huh

Yo Yo

Yo drop the beat right about?..

Yea right there, right there Uh huh

Oooo?

Yeah

Come on

Check It

Why You calling me a playa

Why you call me little shorty mack

Should be calling me your romeo

'cause I?m looking for my Juliette

You say I want my cake and eat it to

I?m digging every chick up in this school

From time and time again I tell you

I got nothing but love 4 u

Chorus

I got nothing but love for you baby

Got nothing but love for you baby

Cross my heart girl I wouldn?t lead you on

Nothing but love

Nothing but love

I?ve got nothing but love for you baby

Just believe these words that I?m saying

Got nothing but love for you baby

Nothing but love

Nothing but love

I cant help

That half of these chicks in school be digging me

Its just who I am

Girl you need to know

(oh girl you should know)

But I can tell

That I want you here right next to me

So you be raising hell

Time and time again I say

Chorus

I got nothing but love for you baby

Got nothing but love for you baby

Cross my heart girl I wouldn't lead you on

Nothing but love

Nothing but love

I've got nothing but love for you baby

Just believe these words that I'm saying

Got nothing but love for you baby

Nothing but love

Nothing but love

Wait, Wait hold up

Bridge

Pause

Just for a minute

'cause

I need a minute

To let you know what's really real (real)

(You know it)

Hold up

I need a second

Baby wait

I gotta finish

You think you know what I feel

Time and time again I say

Chorus x2

I got nothing but love for you baby

Got nothing but love for you baby

Cross my heart girl I wouldn't lead you on

Nothing but love

Nothing but love {x2}

I've got nothing but love for you baby

Just believe these words that I'm saying

Got nothing but love for you baby

Nothing but love

Nothing but love {x2}

(I got it)

Music fades out
