

# Come to Me

Björk

Come to me  
I'll take care of you  
Protect you  
Calm, calm down  
You're exhausted  
Come lay down  
You don't have to explain : I understand

You know : that I adore you  
You know : that I love you  
So don't make me say it  
It would burst the bubble  
Break the charm

Jump off  
Your building is on fire  
I'll catch you : I'll catch you  
Destroy all that is keeping you down  
And then I'll nurse you : I'll nurse you

You know : that I adore you  
You know : that I love you  
So don't make me say it  
It would burst the bubble  
Break the charm
