

# Snowbound

## The Del-Vikings

Lay your body down upon the midnight snow,  
Feel the cold of winter in your hair  
Here in a world of your own,  
In a casing that's grown  
To a children's delight  
That arrived overnight.

And here they come to play their magic games  
Carving names upon your frozen hand.  
Here in a world of your own,  
Like a sleeper whose eyes  
Sees the pain with surprise  
As it smothers your cries  
They'll never never know.

Hey there's a Snowman  
Hey, Hey what a Snowman  
Pray for the Snowman  
Ooh, Ooh what a Snowman  
They say a snow year's a good year  
Filled with the love of all who lie so deep.

Smiling faces tear your body to the ground  
Covered red that only we can see.  
Here in a ball that they made  
From the snow on the ground,  
See it rolling away  
With wild eyes to the sky  
They'll never, never know.

Hey there's a Snowman  
Hey what a Snowman  
Pray for the Snowman  
Ooh, Ooh what a Snowman  
They say a snow year's a good year  
Filled with the love of all who lie so deep.

Hey there goes the Snowman  
Hey there what a Snowman  
Hey there lies the Snowman

Hey he was a Snowman  
They say a snow year's a good year  
Filled with the love of all who lie so deep
